

The Season Has Begun!

The energy at the course is electric! We are thrilled for another season of tournament play, fun golf, various mountain activities as well as community gatherings. We kicked off the season with some big events, including Harbor High School, Soquel High, DeLa Club Championship, several Junior Golf Events and more. It has been a joy seeing the community come together to launch the season with such excitement.

Mother's Day Brunch at the Grille - On the Grille front, we are hosting our Mother's Day Brunch on May 10th. A Sincere Thank You for Your Patience - We want to extend a huge thank you to all for your grace during our long-overdue Roof Project. We are happy to share that it is finally getting done! We apologize for any inconvenience the construction may have caused; our contractors have worked hard to be as quick, respectful of our space, and clean as possible to ensure your experience at the course remains our priority.

Starter/Marshal Program - You may have noticed that we have a new Starter on hole number one to welcome guests, provide information and help keep play moving. Let's welcome Tim van den Berg to our Team! If you are interested in our Starter/Marshal program, please reach out to Todd Pontti: tpontti@delaveagagolf.com

As always, we are grateful to our community and all your support, we can't wait to see you up here. Now, it's time to PLAY!
